RE: Renewing your SVPA Membership (in time for the  
SVPA 2019 Fall Conference)

Hello SVPA Members,

In preparation for the upcoming SVPA 2019 Fall Conference titled *Realizing Psychology's Purpose: Embracing Your Purpose*, we need to make sure your membership is current so you do not have to pay the non-member registration fee amount. In addition to attending the conference, there are many more SVPA events happening between now and the end of the year so renewing your membership now will allow a discounted entry compared to registering as a non-member. So renew your membership now so you can save money and attend all the upcoming exciting SVPA events!

If you are uncertain of whether your membership is current, log in to the SVPA website. After logging in, you can select View profile to see the status of your membership (see below).

A screenshot of the Sacramento Valley Psychological Association (SVPA) website. On the left is a vertical navigation menu with links: Home, About, Events, Membership, Donate to SVPA, Our Services, Newsletter, Forensic Division, SVPA Sections, and Forum. The main content area features the SVPA logo and name, followed by a mission statement. Below this is a large banner for the "SVPA 4TH ANNUAL FALL CONFERENCE" with the theme "REALIZING PSYCHOLOGY'S PURPOSE: EMBRACING YOUR ROLE". The banner includes the text "SAVE THE DATE 10.4.2019 SACRAMENTO, CA" and the SVPA logo. At the bottom left of the page, a user profile for "Alex L. Andrade Jr." is visible, with a "View profile" link circled in red.

After selecting View profile, you will see the screen below which displays whether your membership is currently active, how long you've been a member, and your renewal date. If you do need to renew your membership, you can select the button in the green circle below.
